

# Do not forget!

1. Low beam (double switch to right)

2. When we start from the edge of the road, so make a winker.

3. When you stop on the road, at the right edge, so make winker.

4. – to this brand, "STOP" you have to stop the vehicle completely out of view.

5. - you have to drive at a speed of 20 km/h at the "Residential Zone" mark, and when you go out the residential area, you have to give priority to everyone, so look around.

6. - you can turn right to this "Additional Green Arrow" signal, but it's a duty to look to the left to make sure nothing goes wrong!

7. A32a - this road sign indicates "Rail crossing", you need to reduce the speed to max. 30 km/h and look around.

8.  - you must to give priority when you are crossing crosroads straight or left - ATTENTION !!!!
